

Petition to Change Units

ACBL members residing in zip-codes: **28801, 28804, 28709, 28754 & 28787** request a change of unit boundary from Western NC Unit 171 to **Northwest NC Unit 244**. The zip-codes are contiguous following Interstate 26 from downtown Asheville to Yancy County (Unit 244) and up to the TN line. This change will place Grand Slam DBC in a geographic area more inline with their goal of "Expanding Duplicate Bridge in Rural America".

In order to move forward, your signature is required. If you are currently a member of Unit 171 residing in the aforementioned zip-codes, and are in favor of this change, you can help achieve this goal by voting yes to change your affiliation from Unit 171 to Unit 244. Your signature and details below constitutes a yes vote in favor of the change.
